

## **Club Championship 2016 Rules**

The tournament will run from the 8<sup>th</sup> of August to finals day on the 10<sup>th</sup> September.

Senior, U18, U14 and U12 (green ball) matches will consist of best of three tiebreak sets to six. U10 (orange ball) matches will be best of three tiebreak sets to four with a tiebreak at 4-4. The net height will be adjusted to the top of the black tape on the measuring stick and the plastic lines laid one and a half measuring sticks from the baseline.

The player on the top of the draw will contact their opponent offering three dates in order to arrange the match by the deadline set on the draw sheet. If none of these dates are suitable then the player on top goes through.

Any player losing their first round singles match will automatically be entered into a consolation competition (number of entrants permitting).

Due to a tight schedule players are restricted to enter a maximum of three events.

If the match cannot be played or completed within the specified timetable for each round because of bad weather, injury or unavoidable mitigating circumstances, the Tournament Committee will arbitrate/decide on how best to proceed.

The Tournament Committee reserve the right to alter or modify the playing schedule in any way. Their decision in all matters shall be final.

### **Tournament Committee**

Russell Macdonald, John Frame.
